SUBJECT : Integration of Directorates

REFERENCE : Memorandum for Executive Director-  
Comptroller from DD/S, dated 7 Dec 65,  
Subject: Integration of Directorates

1. In response to the recommendations contained in the reference memorandum, as approved by the Executive Director-Comptroller, this Directorate has been asked to provide the Office of Training with some guidance on possible subjects for inter-Directorate briefings and discussions. Specifically, we have been asked:

a. What the senior staff officers of DD/S&T would like to know about the programs, plans, and problems of each of the other Directorates.

b. What the senior staff officers of each of the other Directorates should know about DD/S&T. (For the purposes of this exercise, "senior staff officer" is defined as the Director, Deputy Director, Special Assistants, and Executive Officer of each of the Offices, plus the O/DDS&T personnel listed above.)

2. Some considered analysis of this request should be given by each of the Offices. This is a program that at best will be difficult to implement. Its effectiveness will depend to some extent on careful preparation. I would appreciate it if the contributions of each Office could be submitted to me by close of business on 15 February for consolidation and transmittal to the Office of Training by noon on 17 February.
